Tuesday June 8<sup>th</sup> @ 5:30p

Green Drinks is an informal networking event for green-minded individuals of all stripes. There is no cost for attending, but a minimum \$5 donation is strongly encouraged and appreciated. It is a tremendous opportunity to network with people who are active and interested in sustainability issues locally!

## Co-Hosts

Friends of the Cedar River Watershed is a local non-profit that inspires conservation and protection of a healthy Cedar River Watershed through restoration, education, and stewardship, and Synapse is a cutting-edge design firm focused on product design and technological innovation.

## Details

Food and drink will be provided by Badger Mountain Winery, Sierra Nevada Brewery, DRY Soda and Chaco Canyon Catering, featuring foods from the Essential Bakery and Full Circle Farms.

*There will be music and great people to accompany this fine spread.* Really, what could be better? Well, there will be a running slide show and short joint-presentation from the leaders of each organization at 6:30pm.

**Guests are asked to bring their own cup!** There will be compostable cups available, but we may look at you funny.

We hope to see you there!
